State Law imposes a maximum total prize pay out of \$2,500 and an individual game maximum of \$750. Multiple winners on game or other circumstances may cause us to have to reduce the actual pay out of some prizes so that we do not exceed the maximums as specified in the State BINGO Laws.

Management reserves the right to change games and/or prizes when there are circumstances beyond our control (power outage, etc.), or when there are less than 90 players present.

Let's Play Some BINGO

BINGO House Rules

1. It is illegal (State Law) to use BINGO paper purchased during any previous Epiphany BINGO event, or from any other location. We reserve the right to verify your sales receipt. It is illegal to attempt to redeem an Instant BINGO pull-tab purchased during any previous Epiphany BINGO event, or from any other location. Violators may be asked to leave (no refunds).
2. All BINGO paper and pull-tabs are subject to serial number verification.
3. At least a minimum purchase of a **REGULAR GAME** 3-face pack must be made for each person in attendance (regardless of age) -- **Special Game Packs do not count toward this minimum.**
4. Players under the age of 18 must be accompanied by a parent or guardian. All BINGO paper and Instant BINGO cards must be purchased by a person 18 years or older or in the presence of parent or guardian. All winnings must be redeemed by a person 18 years or older, or by a person younger than 18 in the presence of a parent or guardian. If the winner of an Instant BINGO or a regular game is under 18, the parent or guardian must redeem the prize or be present in hall. We reserve the right to ask for photo ID at any time.
5. You must use a BINGO dauber, and the number daubed must be clearly readable. No Highlighters, felt tip markers or any other type of marking device are allowed. **Violation of this rule will void your BINGO.**
6. Splitting (24 face & 36 face) or cutting of BINGO paper is prohibited. We reserve the right to verify your sales receipt --**Your BINGO will be voided if you split your BINGO paper with someone else.**
7. Management is not responsible for lost admission receipts.
8. No alcoholic beverages are allowed on the premises. Please do not bring your own food or drinks.
9. TV monitors are for the convenience of the players only. Management is not responsible for any number daubed before the caller declares "the first ball is on the monitor" regardless of the cause, be it mechanical or procedural. **Ball numbers are not official until the number is read out loud by the BINGO caller.**
10. The flashboard is for the convenience of the players only. Any discrepancies between the flashboard and actual numbers called will be resolved through visual verification of the numbers on the balls that have been called and placed in the ball rack.
11. Multiple BINGOs on a single face pay only ONE share of the prize. More than one BINGO on a sheet will be considered as multiple winners so long as the BINGOs are on separate faces.
12. Once the caller has closed a game, no other BINGOs will be valid for that game.
13. All prizes will be paid in cash.
14. BINGO Operators reserve the right to refuse admission to anyone, and to remove anyone who is disruptive to the games because of inappropriate behavior, including but not limited to, profanity, noise and cell phone usage.-- No refunds.

16. Instant BINGO winning tabs must be redeemed prior to the beginning of game 17 (the last game).
17. Numbers drawn. Any player may request a verification of the numbers drawn at the time a winner is determined and a verification of the balls remaining in the receptacle and not drawn.
